

### Message from Terri

Terri McCormick

Dear Friends:

I want to thank you for all of your support for and advice on our campaign. To keep our campaign moving forward to victory, we need your help. In order to be placed on the ballot we need to collect signatures, lots of signatures! With your help this task can be completed in no time! Please download and print the nomination form (found on our website) and have your family, friends, neighbors and co-workers

(over the age of 18 and living in Wisconsin's Eighth Congressional District), fill it out.

As we continue to travel throughout the Eighth District we would love to hear from you. If you know of upcoming events, or if you would like to invite me to a meeting or social please contact our campaign office at (920) 997-3120. With summer festivities in full swing I hope to see you!

All My Best,

Terri McCormick

### McCormick Campaign Attends Summertime Festivities

Summertime festivities are in full swing and the McCormick Campaign continues to visit local festivals and events. While attending Little Chute's Cheesefest, Green Bay's Bayfest and Allouez Fest McCormick supporters were able to connect with voters. The opportunity to speak with and listen to voters is extremely valuable and central to Terri McCormick's Campaign for Congress. If you know of upcoming events that you would like to see the McCormick Campaign at please contact the campaign office at 920-997-3120.

McCormick Campaign enjoying a patriotic concert

### McCormick on Current Issues

#### Liberty Victories in the Primaries

The demand for change in today's government is obvious and continues to be seen in primary elections throughout the US. Congratulations to fellow members of the liberty movement and the many victories we saw across the southwest last Tuesday. The American Spirit of Liberty is alive and well!

#### Oil Spill Disaster

The government's response to the BP oil spill is another example of the lack of leadership coming from the Obama administration – the President's slow response is inexcusable. Now is not the time to push job killing legislation, such as Cap and Trade, and impose a moratorium on off shore drilling, which will result in thousands of jobs lost in the Gulf Coast.

#### A Shift Needed

As job growth remains stagnant and the value of the dollar continues to falter the US is in need of an economic shift. It is time to focus on free market solutions and innovation as the private sector prepares for the next economy.

## McCormick Enjoys Appleton's Flag Day Parade and Festivities

Downtown Appleton was filled with the sights and sounds of American patriotism this past weekend. Terri McCormick enjoyed the opportunity to take part in many Flag Day festivities including the Appleton Flag Day Parade and a concert, put on by the American Legion Post 38, featuring the Quantico Marine Corps Band.

"It is a honor to be surrounded by the men and women that have served and continue to serve our country," reflected McCormick. As a supporter of Rolling Thunder – an organization focused on helping American veterans from all wars and educating the public about the difficulties facing American POW's and MIA's – McCormick is dedicated to serving our veterans. The Rolling Thunder 'family' continues to raise support and awareness through its presence in local parades, community events and sponsored benefits.

Throughout the Flag Day celebrations McCormick took time to pay tribute to our Nation and the men and women serving in the armed forces. "This is joyous day, a day filled with patriotism, pride and gratitude," stated McCormick. "As Americans gather to commemorate our flag and the freedoms that it represents it is clear that we are a Nation worth fighting for, a Nation that I hope to serve."

### McCormick Participates in the Oconto Copperfest Parade

Taking part in the Copperfest Parade in Oconto was a treat for Terri McCormick and supporters. The excitement and local pride found throughout the parade route was obvious and enjoyable. While handing out candy and campaign literature McCormick and supporters were able to meet with and hear from fellow neighbors in the Eighth.

The energy and spirit found throughout the cities and towns in Wisconsin's Eighth Congressional District is remarkable. "Truly, it is the people that make these community events so inviting and memorable," stated McCormick. "The hard work and dedication of residents and volunteers is appreciated and makes for outstanding and fun-filled community activities." The community pride and parade excitement can be seen in the following [video](#), as Terri McCormick travels the parade route. Enjoy and share with fellow supporters! The McCormick Campaign hopes to see you during our upcoming campaign stops!
