

Welcome to the 7/21/10 Weekly Edition of the McCormick Message

Dear Friends:

Thank you to everyone who has become involved in this very important race. Your support and activism is the driving force behind our campaign and I am so grateful to have the opportunity to serve you. As I travel along the campaign trail I look forward to meeting you, listening to your concerns and discussing the importance of this race. I encourage you to contact our campaign office and consider joining me as I travel throughout the Eighth District.

At this time, I invite you to the public grand opening of our Appleton campaign headquarters this Thursday, July 22nd from 5pm - 8pm. Please take this opportunity to tour our headquarters, meet the campaign staff, pick up yard signs, learn about volunteer opportunities and watch the début of my first television commercial. Located at 5317 Grande Market Drive, Suite A in Appleton, the campaign headquarters serves as a gathering place for volunteers and supporters and as a place for the public to learn more about Wisconsin's Eighth Congressional District race.

Located just west of the Appleton mall, our campaign headquarters is open to the public, with regular business hours from 8:00am - 6:00pm Monday through Friday. For more information about this event, please contact campaign headquarters at (920) 997-3120 or email info@mccormickforcongress.com. I hope to see you at our grand opening and along the campaign trail!

All My Best,

Terri McCormick
